**ORDER FINDING VIOLATIONS, SETTING TIME TO COMPLY
OR SUFFER AN ADMINISTRATIVE FINE**

This case was heard before the Special Magistrate on March 01, 2017 and March 29, 2017. Regina A. Kardash, Esq., Town Attorney, represented the Petitioner, Town of Indian Shores ("Town"). Paul Decailly, Esq., represented the Respondents. Based upon the evidence, the Special Magistrate enters the following findings of fact, conclusions of law and order.

FINDINGS OF FACT

1. The property located at 19201 Gulf Blvd, Indian Shores, Florida 33785 ("Property") contains the deficiencies as listed in Notice of Hearing for Code Violations ("Notice") dated March 03, 2017, and each is herein incorporated by reference.

2. Respondents Lynn Rogacki and Jutta Rosbough Susor are the owners of record of the Property, Gulf View Cabin Villa Blk A, Lots 20, 21, 22, 23, 24, 25 and 26, Parcel ID No. 30-30-15-34722-001-0200. Respondent Bonga Bonga, Inc. operates the business on the Property, commonly known as Mahuffer's.
3. On March 31, 2016, the Property was first inspected. As of May 16, 2016 and August 26, 2016, the violations still existed. The Notice was mailed to Respondents on March 06, 2017, at the address listed in the tax collector's office for tax notices.
4. As to the violations of the Indian Shores Code of Ordinances ("Code"), Sections 38-36, 38-37, 38-38 and 18-122, the Respondents failed to correct the violations or bring the Property into compliance.
5. As of the April 11, 2017 hearing, the Respondent(s) did correct the violations of the Indian Shores Code of Ordinances ("Code"), Section 18-304 and did bring the property into compliance.
6. Previous notification of the aforementioned deficiencies was given as supported by the evidence received by this Special Magistrate.
7. The evidence adduced graphically illustrates the risk of fire and the Property's condition is a dangerous risk to the life, health, safety and welfare of the citizens of Indian Shores and passersby.
8. The Town incurred costs for the prosecution of this case and expenses for the Special Magistrate to adjudicate it. The Town reserves the right to seek reimbursement for additional costs, e.g., certified mail, for this matter, as well the Special Magistrate's expenses.
9. The Special Magistrate reasonably spent and will spend time at \$175 per hour to review the case and its history, review and research the applicable Town Code provisions, conduct the hearing, and consider and adjudicate this case.

CONCLUSIONS OF LAW

10. Notice is sufficient and service is proper at the address listed in the tax collector's office for tax notices.

11. The Property continues to be in violation of the Indian Shores Code provision(s) listed in the Notice, namely, Sections 38-36, 38-37, 38-38 and 18-122, despite prior notification and opportunity to cure afforded to the Respondent.
12. The Respondents, jointly and severally, did violate Section 18-304 of the Code, corrected the violation(s), and brought the property into compliance on or before April 11, 2017.
13. The Property's condition is a dangerous risk to the life, health, safety and welfare of the citizens of Indian Shores and passersby. Further, given the Property's condition and the issues presented, the Property is not entitled to any "grandfather" status or protection.
14. The Town prevailed in the prosecution of this case and, pursuant to Section 1.c. of Resolution No. 3-2009 and Chapter 2, Section 2-207(e) of the Code, is entitled to recover all costs and expenses incurred.

ORDER

It is ADJUDGED that:

15. The Respondent(s) did correct the violation of the Code, Section 18-304 on or before April 11, 2017; accordingly, no fines will accrue.
16. As to Code Section 38-36, the Respondent(s) shall correct the violations on the Property and come into compliance on or before 8:00 a.m. on July 06, 2017, or suffer an administrative fine to be later determined.
17. As to Code Section 38-37, the Respondent(s) shall correct the violations on the Property and come into compliance on or before 8:00 a.m. on July 06, 2017, or suffer an administrative fine to be later determined.
18. As to Code Section 38-38, the Respondent(s) shall correct the violations on the Property and come into compliance on or before 8:00 a.m. on July 06, 2017, or suffer an administrative fine to be later determined.

19. As to Code Section 18-122, the Respondent(s) shall correct the violations on the Property and come into compliance on or before 8:00 a.m. on July 06, 2017, or suffer an administrative fine to be later determined.
20. Separate and distinct from the amount due or fine, if any, the Special Magistrate reserves jurisdiction to consider the imposition of the Town's costs and expenses of prosecuting this case, in an amount to be determined at a hearing before the Special Magistrate. Respondents, jointly and severally, shall pay such costs and expenses within thirty (30) days of the date of the Order fixing the amount of such costs and expenses toward the Town's costs and expenses for the Special Magistrate.
21. Upon complying, the Respondent shall notify Greg Yantorno, the Building Official, at 727.517.3940, or buildingofficial@myindianshores.com, who shall inspect the property and notify the Special Magistrate of the compliance.
22. Upon the Respondents' failure to timely comply, the code enforcement officer shall prepare and execute an Affidavit of Non-Compliance.
23. The Affidavit of Non-Compliance shall contain facts addressing the gravity of the violation, any efforts by the violator to correct the violation from the date that the violator was first advised of the violation to the date of the Affidavit of Non-Compliance, and any previous code violations by the violator. The code inspector shall also make a recommendation in the Affidavit of Non-Compliance regarding the amount of the fine that should be imposed against the violator. The code inspector shall also set forth in the Affidavit of Non-Compliance the Town's costs of prosecuting the violation against the violator.
24. The code inspector shall forward any Affidavit of Non-Compliance to the Special Magistrate for further action, requesting the Special Magistrate enter an order against the violator (i) finding that the violator has not complied with Special Magistrate's order finding a violation and requiring compliance and (ii) imposing a fine against the violator which shall include the costs and expenses the Town incurred in prosecuting the violation.
25. The Special Magistrate reserves jurisdiction to hear any matter pertaining to the compliance or non-compliance as set forth in this Order including, but not limited

to, compliance or non-compliance, administrative fines and administrative costs and expenses.

Appeals: Any aggrieved party may appeal this order to the Circuit Court. An appeal must be filed within thirty (30) days of the execution of this Order.

DONE AND ORDERED on June 23, 2017.

THE TOWN OF INDIAN SHORES,
a Florida municipal corporation,

Petitioner,

v.

LYNN ROGACKI, JUTTA ROSBOUGH SUSOR,
BONGA BONGA, INC., c/o MICHAEL ROGACKI,

Respondents.

AFFIDAVIT OF NON-COMPLIANCE

STATE OF FLORIDA
COUNTY OF PINELLAS

BEFORE ME, the undersigned authority, personally appeared Marshall Eiss of the Pinellas Suncoast Fire and Rescue District, the Fire Inspector and Life Safety Technician for the Petitioner, TOWN OF INDIAN SHORES ("Affiant"), who was sworn and says:

1. Affiant is over the age of eighteen.
2. Affiant has personal knowledge of the facts stated herein and is authorized to make this Affidavit on behalf of the Petitioner.
3. Affiant has various duties relative to the operation of Petitioner. These duties include overseeing compliance with the adopted Fire Code (NFP) throughout the Town and the PSFRD's respective jurisdiction, this includes making inspections and reports regarding properties and businesses within the Town. It is the regular practice of Affiant, on behalf of Petitioner, to account for such matters and other acts, events, and conditions or opinions concerning fire safety and code enforcement matters within the Town. Specifically, on behalf of and for Petitioner, Affiant has maintained files, records and information concerning the

Respondents and the status of the property located at 19201 Gulf Blvd., Indian Shores, FL, and otherwise known as Mahuffer's.

4. Respondents were cited with a Notice of Violation for violating Sections 38-36, 38-37, 38-38, 18-122, and 18-304 of the Town of Indian Shores Code of Ordinances, which incorporated violations of the Florida Building Code and NFP (National Fire Prevention Code). At a hearing held on March 1, 2017, and concluded on March 29, 2017, the Town's Special Magistrate entered an Order Finding Violations, Setting Time to Comply or Suffer an Administrative Fine ("Order") finding the Respondents in violation of Sections 38-36, 38-37, 38-38, and 18-122, and ordered a compliance date of July 6, 2017, at 8:00 A.M.

5. Affiant conducted a re-inspection of the property on July 14, 2017, and the Respondent has failed to comply with the following items:

a. Removal or modification of the inside fireplace. Although the outside part of the chimney has been removed, the chimney is still functional as it still goes thru the roof.

b. Removal of ALL extension cords. A permit has been secured from the Town to provide the necessary corrections; however, to Affiant's knowledge the work has not been completed.

LOCAL GOVERNMENT CODE ENFORCEMENT
TOWN OF INDIAN SHORES, Florida

Case No CE 2017.01

THE TOWN OF INDIAN SHORES,
a Florida municipal corporation,

Petitioner,

v.

LYNN ROGACKI, JUTTA ROSBOUGH SUSOR,
BONGA BONGA, INC., c/o MICHAEL ROGACKI,

Respondents.

AFFIDAVIT OF NON-COMPLIANCE

STATE OF FLORIDA
COUNTY OF PINELLAS

BEFORE ME, the undersigned authority, personally appeared Gregory Yantorno of Universal Engineering Sciences, Inc., the Building Official for the Petitioner, TOWN OF INDIAN SHORES ("Affiant"), who was sworn and says:

1. Affiant is over the age of eighteen.
2. Affiant has personal knowledge of the facts stated herein and is authorized to make this Affidavit on behalf of the Petitioner.
3. Affiant has various duties relative to the operation of Petitioner. These duties include overseeing the Town's Building Department, administering the Town's Building Code and the applicable Florida Building Code, issuing permits, inspecting the progress of work, and enforcing the Town's Building Code and Land Development Code as appropriate. It is the regular practice of Affiant, on behalf of Petitioner, to account for such matters and other acts, events, and conditions or opinions concerning building and code enforcement matters within the Town. Specifically, on behalf of and for Petitioner, Affiant has maintained files, records and

information concerning the Respondents and the status of the property located at 19201 Gulf Blvd., Indian Shores, FL, and otherwise known as Mahuffer's.

4. Respondents were cited with a Notice of Violation for violating Sections 38-36, 38-37, 38-38, 18-122, and 18-304 of the Town of Indian Shores Code of Ordinances, which incorporated violations of the Florida Building Code and NFP (National Fire Prevention Code). At a hearing held on March 1, 2017, and concluded on March 29, 2017, the Town's Special Magistrate entered an Order Finding Violations, Setting Time to Comply or Suffer an Administrative Fine ("Order") finding the Respondents in violation of Sections 38-36, 38-37, 38-38, and 18-122, and ordered a compliance date of July 6, 2017, at 8:00 A.M.

5. As of July 6, 2017, the Respondents had submitted incomplete permit applications to fix the electrical work associated with the violations, and thus none of the violations were timely corrected. The applications were subsequently revised, and the permits to begin the work were picked up from the Building Department on Monday, July 10, 2017, with an expected work commencement date of Wednesday, July 26, 2017.

6. As of August 9, 2017, Respondents have not requested a final inspection.

7. Affiant believes that it will take the Respondents two weeks to adequately complete the repairs necessary to come into compliance with the Town Code, Florida Building Code and other life safety codes based on the current status of the permits and remaining work. The following work needs to be completed in order to be considered compliant:

a. All unprotected wiring must meet the requirements of the 2011 NEC Article 300.4 and all abandoned wiring must be removed.

b. All uncovered receptacles, switches and junction boxes including signage must be brought into compliance with 2011 NEC Article 314.25.

c. Proper emergency lighting must be installed throughout the building per the

2011 NEC Article 700.16.

d. All unpermitted electrical work must be permitted.

e. Wall and ceiling finishes must be brought up to code and maintained per the 2014 Florida Building Code Section 803.

8. Affiant believes that the gravity of this violation is significant due to the threat posed to patrons of the establishment and surrounding properties as a result of substandard electrical wiring and potential for harm from electrocution and/or electrical fires.

9. Affiant recommends a fine be instituted of \$250/day for failure to comply with the Special Magistrates Order requiring compliance by July 6, 2017, and said fine should continue until the Town finds the property to be in compliance.

10. Petitioner has incurred the following costs in this enforcement action:

Publication	\$ 0
Inspection	\$ 0
Special Magistrate time to date	\$ 0
Additional Staff Time	\$ 0
TOTAL:	\$ 0
