The Honorable Mayor
and Town Council
Town of Indian Shores, Florida

INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, the budgetary comparisons for the general fund, and the aggregate remaining fund information of the Town of Indian Shores, Florida, as of and for the year ended September 30, 2010, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Indian Shores, Florida, as of September 30, 2010, and the respective changes in financial position and cash flows, where applicable, thereof and the respective budgetary comparison for the general fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Honorable Mayor and Town Council
Town of Indian Shores, Florida

In accordance with *General Government Auditing Standards*, we have also issued our report dated March 10, 2011 on our consideration of the Town of Indian Shores, Florida's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Governmental Auditing Standards* and should be considered in assessing the results of our audit.

The *accompanying management's discussion and analysis* on pages 4 through 15 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The *accompanying introductory section, combining and individual nonmajor fund financial statements, and statistical tables* are presented for purposes of additional analysis and are not a required part of the basic financial statements. The *combining and individual nonmajor fund financial statements* have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The *introductory section and statistical tables* have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly we express no opinion on them.

Davidson, Jamison & Critch, P.C.

March 10, 2011

MANAGEMENT'S DISCUSSION

AND ANALYSIS

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Town of Indian Shores' discussion and analysis is designed to:

- (a) Assist the reader in focusing on the financial issues
- (b) Provide an overview of the Town's financial activity
- (c) Identify changes in the Town's financial position
- (d) Identify any material deviations from the financial plan (the approved budget)
- (e) Identify individual fund issues or concerns for the fiscal year ended September 30, 2010.

FINANCIAL HIGHLIGHTS

- At the close of fiscal year 2010 the Town's assets exceeded its liabilities, resulting in *net assets* of \$ 7,466,086. Of this amount, the *unrestricted net assets* total to \$4,545,775 that can be used to meet the Town's ongoing obligations.
- At September 30, 2010, the Town's governmental activities fund reported an ending fund balance of \$ 5,265,359 which is an increase of \$1,029,389 in comparison with the prior year. This increase is attributable primarily to the excess of revenue over expenditures in the General Fund.
- During the year, the Town's governmental activities program revenues were \$575,234 compared to expenses of \$3,108,992 which means that **only 18.5 percent of expenses were paid for with program revenues.**
- On September 30, 2010, undesignated fund balance for the General Fund was \$1,456,983.
- Governmental fund revenues decreased by \$120,190 or 4.3 percent over the prior fiscal year with Intergovernmental Revenue down \$4,155 or 1.6 percent and Taxes showing a 9.8 percent reduction or \$138,276. Net investment earnings decreased \$21,010 or 44.4% over Fiscal 2008/2009. One positive aspect was the increase in Utility Tax collections 10.3% from \$328,578 to \$362,487.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of a series of financial statements. The three components of the financial statements are: (1) Government-wide financial statements which include the *Statement of Net Assets* and the *Statement of Activities*; (2) Fund financial statements tell how these services were financed in the short term, as well as what remains for future spending. Fund financial statements also report the Town's operations in more detail than the government-wide statements by providing information about the Town's most significant funds; and (3) Notes to financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

GOVERNMENT-WIDE FINANCIAL STATEMENTS

The *government-wide financial statements* are designed to provide readers with a broad overview of the Town's finances, using the *accrual basis of accounting*, which is similar to a private-sector business. There are two types of government-wide financial statements:

1. The *statement of net assets* presents information on all of the Town's assets and liabilities, with the difference between the two reported as *net assets*. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.
2. The *statement of activities* presents information showing how the government's net assets changed during fiscal year 2010. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the Town that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the Town include general government, public safety, highways and streets, parking, and culture and recreation. The business-type activities of the Town include a Parking operation where the fee for service typically covers all or most of the cost of operation including depreciation.

The government-wide financial statements include the Town itself (known as the primary government) and all activities of the governing agency..

The government-wide financial statements can be found on pages 16 – 22 of this report.

FUND FINANCIAL STATEMENTS

The accounts of the Town are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity or retained earnings, revenues, and expenditures or expenses, as appropriated. Government resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

The Town's funds are presented in separate fund financial statements. These funds are presented on a governmental fund financial statement. The Town's major funds are presented in separate columns on the fund financial statements. The definition of a major fund is one that meets certain criteria set-forth in GASB 34. The funds that do not meet the criteria of a major fund are considered non-major funds and are combined into a single column on the fund financial statements.

GOVERNMENTAL FUNDS

Governmental fund financial statements are prepared on the modified accrual basis using current financial resources measurement focus. Under modified accrual basis, revenues are recognized when they become measurable and available as net current assets. The governmental fund statements provide a detailed short-term view of the Town general government operations and the information helps to determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's program.

The Town adopts an annual budget for all funds and a budgetary comparison statement has been provided for these funds to demonstrate budgetary compliance.

Proprietary funds financial statements are used to report the same functions presented as business-like activities in the government-wide financial statements on a full accrual basis and also provide both long and short term financial information. The Town's enterprise fund (one type of proprietary fund) provides more detail and additional information, such as cash flows.

A *Fiduciary fund* is *not* included in the government-wide financial statements because the resources of those funds are not available to finance the Town's operation. The accounting used for fiduciary fund is similar to proprietary funds.

The basic fiduciary fund financial statement can be found on pages 28 and 29 of this report.

NOTES TO FINANCIAL STATEMENTS

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 30 – 74 of this report.

Other Information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information. This includes the general fund and original budget and final budget in comparison to actual expenses.

The supplementary information for the fiduciary funds' combining statement and individual fund schedule information are reported on pages 74 - 80 of this report.

CAPITAL ASSETS

The capital assets of the Town are those assets that are used in the performance of Town functions. The Town continues to follow GASB Statement 34. Historically, a government's largest group of assets (infrastructure – roads, bridges, sidewalks curbs, underground pipes (unless associated with a utility), etc.) have not been reported or depreciated in the Town's financial statements. The new statement requires that these assets be valued and recorded within the governmental columns of the Governmental-wide Statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Changes in net assets - As noted earlier, net assets may serve over time as a useful indicator of a government's financial position. In the case of the Town, total assets exceeded total liabilities by \$7,466,086 at the close of fiscal year ended September 30, 2010. The Town uses capital assets to provide services to citizens; therefore, these assets are not available for future spending, because the Town has no intention of selling these assets to generate spendable assets (i.e., cash). The following table reflects the condensed Statement of Net Assets.

Table 1
STATEMENT OF NET ASSETS
As of September 30

	Governmental		Business-type		Total	
	Activities		Activities		Primary Government	
	<u>2010</u>	<u>2009</u>	<u>2010</u>	<u>2009</u>	<u>2010</u>	<u>2009</u>
Current and other Assets	\$ 5,465,278	\$ 4,327,105	\$ -	\$ 100	\$ 5,465,278	\$ 4,327,205
Capital assets (net of Allowance)	9,965,643	9,240,636	-	-	9,965,643	9,240,636

Due in more than one year	7,378,008	5,594,487	-	-	7,378,008	5,594,487
Total Liabilities	7,964,835	5,981,465	-	9,888	\$ 7,964,835	\$ 5,991,353
Net Assets:						
Invested in Capital Assets						
net of related debt	2,857,899	3,680,203	-	-	\$ 2,857,899	\$ 3,680,203
Restricted	62,412	47,660	-	-	\$ 62,412	\$ 47,660
Unrestricted	4,545,775	3,858,413	-	(9,788)	\$ 4,545,775	\$ 3,848,625
Total Net Assets	\$ 7,466,086	\$ 7,586,276	\$ -	\$ (9,788)	\$ 7,466,086	\$ 7,576,488

* For more detailed information see Statement of Net Assets on Page 16.

60.9 percent of the Town's net assets represent resources that are unrestricted on how they may be used with .84% being subject to external restrictions.

An additional portion of the Town's net assets (38.3) represents its investment in capital assets (e. g. land, building, improvements and equipment), less any related outstanding debt used to acquire those assets. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The remaining balance of unrestricted net assets (\$4,545,775) may be used to meet the government's ongoing obligations to citizens and creditors.

STATEMENT OF ACTIVITIES

The following schedule represents the revenues and expenses for the last two fiscal years.

Net Assets - end of year	<u>\$ 7,466,086</u>	<u>\$ 7,596,860</u>	<u>\$ -</u>	<u>\$ (9,788)</u>	<u>\$ 7,466,086</u>	<u>\$ 7,587,072</u>

GOVERNMENTAL ACTIVITIES

Governmental Activities decreased the Town's net assets by \$120,190. Key elements of this decrease are as follows:

- Actual property tax revenue decreased by 9.82 percent (\$138,276) compared to the prior year which is attributable to a **17.04% reduction in the existing property values** and a millage rate of 1.7500 that was **9.91% below** the Rolled-Back Rate of 1.9425.

- Utility Taxes increased 10.32% or \$33,909 with the Communications Services Tax decreasing 5.95% with an \$8,125 reduction over last year. The 10% Utility Tax and 2.5% of the Communications Services Tax are utilized for the retirement of the long term debt and interest for the placement of utilities underground within the Town.
- Program revenues increased \$109,515 due to grant funds being received by the Town and increased parking revenue due to the new parking machine..
- Overall revenues increased 1.51 percent \$38,587 in comparison with the prior year along with an increase of 0.84 percent in expenditures (\$26,154).

BUSINESS-TYPE ACTIVITIES

The parking fund activities contributed to both increased revenue and expenses. At the end of FY2009/2010 the activities of the parking fund were closed into the General Fund and will be accounted as a separate Department within the general fund for FY 2010/2011.

FINANCIAL ANALYSIS OF THE TOWN'S FUNDS

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

GOVERNMENTAL FUNDS

The focus of the Town's governmental fund is to provide a detailed short-term view of the Town's general government operations. The information helps to determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's program. In particular, unreserved fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of fiscal year 2010, the Town's governmental funds reported ending fund balances of \$5,265,359, an increase of \$1,029,389 in comparison with the prior year. There was a decrease in revenue of \$68,015 or 2.23% compared to the previous year. Expenditures increased by 44.06% (\$1,209,504) mainly in the Capital Improvement Fund due to the start of construction of the new Municipal Center by the Town.

	INTERGOVERNMENTAL REVENUES				
	<u>2010</u>	<u>2009</u>	<u>2008</u>	<u>2007</u>	<u>2006</u>
Half-Cent Sales Tax	\$ 92,859	\$ 89,089	\$ 92,299	\$ 100,875	\$ 105,844
State Revenue Sharing	30,365	30,222	34,283	37,393	38,044
Local Option Gas Tax	24,755	23,570	23,221	13,642	14,110
1 Cent Surtax - LOST	123,304	131,570	134,123	149,416	154,485

Utility taxes and 2.5% of the Communications Services Tax are utilized to fund the long term debt payments for the undergrounding of utilities on Gulf Boulevard.

Unreserved fund balance is \$5,081,520 and is available for spending at the Town's discretion.

The remainder of the fund balance (\$183,839) is reserved or designated and not available for new spending and has been committed as represented on page 57 for the reserved funds and on page 58 for designated funds.

- The total governmental fund expenditures are 42.09 percent compared to total net assets.

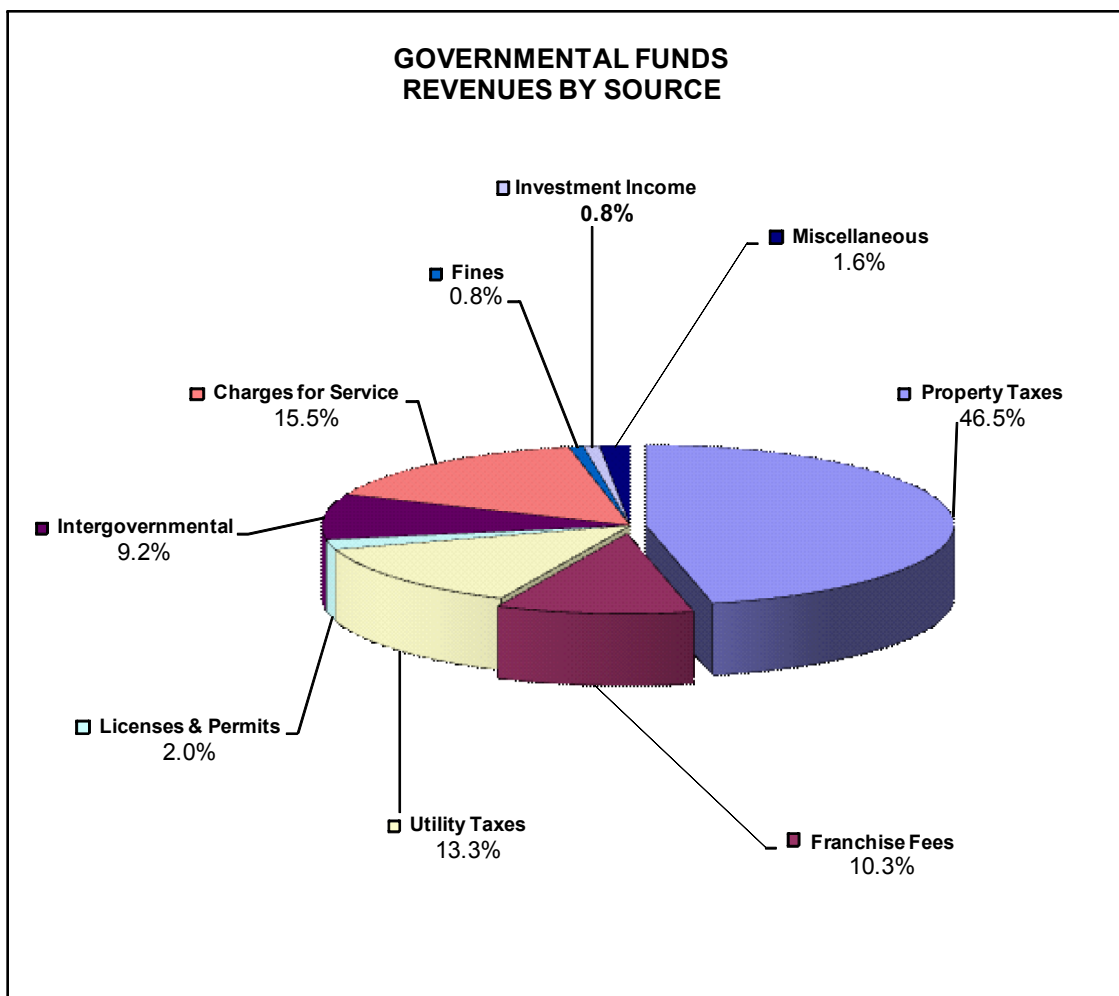

CALCULATION OF ALLOWABLE MAXIMUM MILLAGE

The rolled back rate is the rate that would generate approximately the same tax dollars as the previous year with the same properties (1.9425). During 2010 the Town was required to calculate and disclose the allowable Maximum Millage Levy Calculation. The current year rolled-back rate is allowed to be adjusted by the growth in per capita Florida personal income that is certified by the Department of Revenue which was **2.50%**. Starting with the adjusted rolled-back rate (2.3086) you multiply that by the ratio based on the current year gross taxable value with adjustments. The **majority vote** maximum millage rate allowed for the Town of Indian Shores was 2.3663. With a **two-thirds vote** the maximum millage rate allowed would have been 2.6029. **The Town Council approved a rate of 1.7500 per \$1,000 of valuation** which was **9.910% less than** the rolled back rate of **1.9425**.

The **decrease in assessed valuation** for the Town was **17.04 percent** for FY 2010 which resulted in a decrease of levied taxes of \$ 247,006.

For the Fiscal 2011/2012 year the maximum millage rate that can be levied will be calculated much the same as in FY 2010/2011 subject to any legislative changes.

The following chart shows the major sources of revenue by percentage. Most of the tax sources are not controllable by the Town, because State Statutes set the tax levies but the Town has maintained a property tax millage well below the maximum 10 mill statutory rate.

GOVERNMENTAL FUNDS - BUDGETARY HIGHLIGHTS

There were three amendments of the original budget to the final budget totaling **\$2,474,520**.

Budget Amendment # 1 was authorized by Resolution No. 14-2009 and transferred \$1,000,000 from the Fund Balance of the General Fund to the Capital Improvement Fund along with the appropriation of \$1,100,000 from the Fund Balance of the Capital Improvement Fund for the construction of the new Municipal Center. In addition, a \$60,800 JAG Recovery Grant was accepted for the purchase of a Police Records Management System and for upgrades to the mobile communications. - **\$2,160,800**

Budget Amendment #2 was approved by Resolution No. 3-2010 recognizing two Grants for the Police Department for the purchase of firearms and accessories along with a rifle and an appropriation from Fund Balance for the payment of a prior year's bill totaling **\$8,720**.

Budget Amendment #3 was authorized by the approval of Resolution No. 6-2010 that appropriated **\$305,000** from the Fund Balance of the General Fund for a prior year's bill along with the transfer to the Capital Improvement Fund of an additional \$300,000 for the construction of the Municipal Center.

Within Resolution No. 6-2010 we authorized the transfer of \$8,350 from one line item to another in the Public Services Department.

CAPITAL ASSET AND DEBT ADMINISTRATION

CAPITAL ASSETS - GOVERNMENTAL FUNDS

The Town's investment in capital assets for its governmental activities as of September 30, 2010 amounts to \$10,471,198 net of accumulated depreciation. This investment in capital assets includes land, building, improvements other than buildings, and equipment. The increase in the Town's capital assets for the current fiscal year was 13.31 percent for governmental activities.

Town of Indian Shores, Florida
Capital Assets
(Net of accumulated depreciation)

	<u>Governmental Activities</u>	
	2010	2009
Land	\$ 827,462	\$ 827,462
Buildings	535,058	556,262
Improvements other than Buildings	7,099,826	7,574,984
Equipment	283,969	255,915
Construction in progress	1,219,328	26,781
Totals	\$ 9,965,643	\$9,241,404

Additional information on the Town's capital assets can be found on pages 52 - 53 of this report.

LONG-TERM DEBT

At the end of Fiscal Year 2010, the Town had no outstanding general obligation bonds.

On February 15, 2005 the Town issued Revenue Bonds, Series 2005A through the Florida Municipal Loan Council in the amount of \$5,930,000 for the purpose of undergrounding utilities within the Town.

	<u>Governmental Activities</u>
Revenue Bonds - Principal	\$ 5,385,000

During Fiscal Year 2009/2010 the Town paid \$115,000 towards retirement of Principal and \$260,490 for interest and fees paid semi-annually in February and August.

On August 11, 2010 the Town issued Municipal Revenue Bonds in the amount of \$2,000,000 for the purpose of supplementing funds for the construction of a new Municipal Center. During Fiscal Year 2009/2010 the Town made one (1) interest only payment on the new debt in the amount of \$ 4,281.67 along with payment of borrowing costs from the loan proceeds.

	<u>Governmental Activities</u>
Revenue Bonds - Principal	\$ 2,000,000

The Town has recorded a liability for compensated absences in the amount of \$146,793.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

- The unemployment rate for the County at September 30, 2010 was 12.4 percent. This represents an increase of 5.1 percent from the prior year in comparison with the State rate of 12.2 percent.
- The Town of Indian Shores is primarily a residential community with only 20 percent of properties currently claiming Homestead Exemption.
- In FY2010 the real estate market in Florida continued to experience losses in value that directly impacts the Town's ability to raise sufficient tax revenue without increasing the millage rate, cutting expenditures or utilizing reserves.
- The estimated increase in salaries and wages for FY2011/2012 is 0.0 percent. As the Town continues to experience reductions in its assessed value of real property the ability of the Town to provide salary and benefit increases is seriously in doubt.
 - The Town issued Revenue Bonds in February 2005 to place all utilities in Town underground with construction being completed in September 2008.
 - The Town issued a \$2,000,000 Revenue Bond in August 2010 to assist with the construction of a new Municipal Center which is slated for completion in May 2011.
 - This financial report is designed to present users with a general overview of the Town's finances to all those interested in the government finances. Questions concerning any of the information provided in this report or request for additional financial information should be addressed to the Town's Finance Officer at 19305 Gulf Blvd., Indian Shores, Florida 33785 or email: mkarayianes@myindiashores.com.

NOTES TO
FINANCIAL STATEMENTS

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies

The Town of Indian Shores (Town) maintains its accounting records in accordance with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Town's accounting policies are described below:

Reporting Entity - The Town is a political subdivision of the State of Florida, located in Pinellas County in the southwest central portion of the State. The Town was incorporated in 1949. In accordance with the Florida Statutes of 1941, the Town was established pursuant to a special election held on September 16, 1949. The Town's Charter was revised in 1985 and is the same Charter under which the Town currently operates. The Town is approximately .385 square miles in land area. The Town is a full service municipality providing its citizens with a full complement of municipal services except for fire protection.

In evaluating how to define the Town of Indian Shores, Florida (the primary government), for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit in the reporting entity was made by applying the criteria set forth in GASB Statement No. 14.

This governmental accounting standard requires that this financial statement present the Town of Indian Shores (the primary government) and its component units. Component units generally are legally separate entities for which a primary government is financially accountable. Financial accountability ordinarily involves meeting both of the following criteria: the primary government is accountable for the potential component unit (i.e., the primary government appoints the voting majority of its board) and the primary government is able to impose its will upon the potential component unit, or there is a possibility that the potential component unit may provide specific financial benefits or impose specific financial burdens on the primary government. The following component units have been presented in the Town's reporting entity as blended component units because of the significance of their operational or financial relationships with the Town.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Blended Component Unit -

Policemen's Pension Fund - The Town's police officers participate in the Policemen's Pension Plan. The Plan functions for the benefit of these employees and is governed by a five-member pension board. Two police officers, two Town residents and a fifth member elected by the other four members constitute the pension board. The Town and the Plan participants are obligated to fund all Plan costs based upon actuarial valuations. The Town is authorized to establish benefit levels and to approve the actuarial assumptions used in the determination of contribution levels.

Complete financial statements of the above individual component unit can be obtained from:

Town of Indian Shores
Director of Finance and Personnel
19305 Gulf Boulevard
Indian Shores, Florida 33785

The Pinellas Suncoast Fire Control District (PSFCD) provides services within the Town of Indian Shores, but has not been included in the reporting entity because it does not meet the criteria necessary to be a component unit. The PSFCD elects its own governing Board, sets its own fee for services schedule and is completely independent of the Town of Indian Shores.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Government-Wide and Fund Financial Statements - As discussed more fully in Note 20 the Town has adopted the provisions of GASB Statement No. 34, "Basic Financial Statements and Management Discussion and Analysis for State and Local Governments." The government-wide financial statements (i.e., the statement of net assets and the statement of changes in net assets) report information on all of the nonfiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Since the governmental fund financial statements are presented on a different measurement focus and basis of accounting than the government-wide statements' governmental activities column, a reconciliation is presented on the same page or the page following each statement, which briefly explains the adjustments necessary to reconcile the fund based financial statements to the governmental activities column of the government-wide presentation.

The Town's fiduciary funds are presented in the fund financial statements by type (pension). Since by definition these assets are being held for the benefit of a third-party (pension participants) and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation - The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Franchise taxes, licenses, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the Town.

The Town reports the following major governmental funds:

The *General Fund* is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Capital Improvements Fund* accounts for the capital projects funded by the infrastructure sales surtax.

The Town reports the following proprietary funds:

The *Parking Fee Fund* accounts for the assets, operations and maintenance of the Town-owned parking devices used for the collection of vehicular parking fees in the parking areas constructed by Pinellas County within the Town's limits.

Additionally, the Town reports the following fund types:

The *Pension Trust Fund* account for the activities of the Public Safety System, which accumulates resources for pension benefit payments to qualified public safety employees.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the government-wide and proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. Governments also have the *option* of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The government has elected not to follow subsequent private-sector guidance.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments-in-lieu of taxes and other charges between the government's administrative function and various other functions of the government. Elimination of these charges would distort the direct cost and program revenues reported for the various functions concerned.

Amounts reported as *program revenues* include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary funds' principal ongoing operations. The principal operating revenue of the Parking Fee Fund is charges to customers for beach parking. Operating expenses for the enterprise fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the Town's policy to use restricted resources first, then unrestricted resources as they are needed.

Establishment/Elimination of Funds

The Parking Fee Fund was eliminated as of September 30, 2010. The balances in the Parking Fee Fund were transferred to the General Fund.

No funds were established during the fiscal year ended September 30, 2010.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Assets, Liabilities, and Net Assets or Equity:

Deposits and investments - The Town's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

The Town's investment policy is to maintain funds in investments which yield the highest possible efficiency and return within the limitations established by Florida Statutes, Chapter 166.261. Provisions of those statutes authorize the Town to invest in:

- a) Florida State Board of Administration Local Government Pooled Investment Fund.
- b) Bonds, notes or other obligations of the United States or for which the credit of the United States is pledged for the payment thereof.
- c) Interest-bearing time deposits, savings accounts or collective investment funds in banks or savings and loan associations organized under the laws of the United States.
- d) Obligations of the federal farm credit banks and the Federal Home Loan Mortgage Corporation.
- e) Obligations of the Federal National Mortgage Association and the Government National Mortgage Association.

Investments in fixed income securities are stated at fair value. Fair value is the amount at which an investment could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Florida State Board of Administration Local Government Pooled Investment Fund has met the criteria to be considered a "2A-7 like" Investment Fund as defined by GASB Statement No. 31. Therefore, amortized cost may be used for valuation. The fair value of the Town's investment in this pool is determined by the pool's share price (account balance).

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Investments held by the Town's pension trust fund are reported at fair value. Short-term investments are reported at amortized cost, which approximates fair value. Securities traded on national exchanges are valued at the last reported sales price. Investments that do not have an established market are reported at estimated fair values.

The Domestic Stocks, Corporate Bonds, and Temporary Investment Funds are assets of the Policemen's Pension Trust Fund (Plan) and are reported at fair value. These securities are held by the Plan's agent in the Plan's name. The Temporary Investment funds are open end funds and are not subject to categorization.

The ICMA Investment Fund is an asset of the Employees' Pension Trust Fund and is reported at fair value. The ICMA Investment Fund is an open-end fund and provides management of commingled retirement plan funds for the defined contribution plan administered by the ICMA Retirement Corporation. The Retirement Corporation administers qualified money purchase pension plans for state and local governments and instrumentalities.

Receivables and payables - Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

All tax, accounts and intergovernmental receivables are shown net of an allowance for uncollectibles. Trade accounts receivables in excess of 180 days compromise the trade accounts receivable allowance for uncollectible including those for the Parking Fee Enterprise Funds.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Property Taxes - Under Florida law, the assessment of all properties and the collection of all county, municipal and school board property taxes are consolidated in the offices of the County Property Appraiser and County Tax Collector.

The tax levy of the Town is established by the Town Council prior to October 1 of each year and the Pinellas County Property Appraiser incorporates the Town's millages into the total tax levy, which includes the Pinellas County School Board tax requirements. The Town is permitted by state law to levy taxes up to ten mills of assessed valuation, exclusive of taxes levied for the payment of bonds. The 2010 millage rate assessed by the Town was 1.7500.

All property is reassessed according to its fair market value January 1 of each year. Each assessment roll is submitted to the Executive Director of the State Department of Revenue for review to determine if the rolls meet all of the appropriate requirements of State statutes.

All taxes are due and payable on November 1 of each year or as soon thereafter as the assessment roll is certified and delivered to the Tax Collector. All unpaid taxes become delinquent on April 1 following the year in which they are assessed. Discounts are allowed for early payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January and 1% in the month of February. The taxes paid in March are without discount.

Delinquent taxes on real property bear interest at 18% per year. On or prior to June 1 following the tax year, certificates are sold for all delinquent taxes on property. After sale, tax certificates bear interest at 18% per year or at any lower rate bid by the buyer. Application for a tax deed on any unredeemed tax certificates may be made by the certificate holder after a period of two years.

Delinquent taxes on personal property bear interest at 18% per year until the tax is satisfied either by seizure and sale of the property or by the five-year statute of limitations.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Because of the Pinellas County Tax Collector's Office efficient system for selling tax certificates and remitting the proceeds to the Town any delinquent or uncollected property taxes at year end are immaterial. The Town's tax calendar is as follows:

Valuation Date:	January 1
Levy Date:	November 1
Due Date:	March 31, succeeding year
Lien Date:	April 1, succeeding year

Capital Assets - Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$750 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred, if any, during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Property, plant, and equipment of the primary government, as well as the component units, is depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	45-55
Building improvements	20-30
Public domain infrastructure	45-55
Machinery and equipment	5-15

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Long-term obligations - In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net assets.

Fund equity - In the fund financial statements, governmental funds report reservations of fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose.

Net Assets - Net assets of the Governmental and Business-Type Activities, in the government-wide financial statements, are categorized as invested in capital assets net of related debt or unrestricted. The first category represents net assets related to capital assets.

Accrued Leave - Regular, full-time, permanent employees (general employees) earn vacation, sick leave, holidays and, prior to October 1, 1988 and after June 13, 1991, compensatory time, starting with the first day of employment. Part-time and temporary employees do not earn or accrue any vacation, sick leave or any other leave, except as may be approved by the Town Council.

Vacation Leave:

Vacation leave is earned based on years of fully completed service as follows:

<u>Leave Earned</u> <u>Years of Completed Service</u>	<u>Per Biweekly Pay Period</u>
Less than 5	4 hours
At least 5 but less than 10	5 hours
At least 10 but less than 15	6 hours
At least 15 but less than 20	7 hours
20 years and over	8 hours

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

The Town Clerk, Director of Finance and Personnel, and all other Department Heads earn vacation leave at the rate of six (6) hours per bi-weekly period, or in accordance with the appropriate rate based on length of service, whichever is greater.

A maximum of two hundred forty hours or thirty working days may be carried over from one fiscal year to the next. An employee who has served six months or more may take vacation leave. Every eligible full-time employee is required to take at least sixty-four hours of vacation leave within each fiscal year. At the end of the fiscal year or when an employee is to be terminated without prejudice, the employee may (contingent upon the approval of the Department Head, Town Clerk, and Director of Finance and Personnel), take all, or any portion, of his accrued vacation leave subject to the following limitations. Leaves by Department Heads must be approved by the Director of Finance and Personnel. Any vacation leave by a Department Head which will contribute to exceeding one hundred twenty hours taken within a period of ninety consecutive calendar days requires the approval of the appropriate Town committee responsible to the Town Council for that department (responsible committee). However, if an employee is being terminated without prejudice, the one hundred twenty hour limitation does not apply.

An employee who terminates employment "without prejudice" is paid for any unused vacation leave accumulated to the time of termination. An employee who does not perform satisfactorily in accordance with the Town's standards will be terminated "with prejudice." Any employees terminated with prejudice may lose all accrued vacation leave. Each case will be reviewed by the responsible committee.

Sick Leave:

Sick leave is earned based on length of completed, fully compensated service as follows:

<u>Years of Completed Service</u>	<u>Leave Earned</u> <u>Per Biweekly Pay Period</u>
Less than 15	4 hours = 13 Working Days/Year
15 years and over	6 hours = 18 Working Days/Year

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

The Town Clerk, Director of Finance and Personnel and all other Administrators shall earn sick leave at the rate of six (6) hours per bi-weekly period.

An employee who does not use all of his or her accrued sick leave by the end of the twenty-sixth (26th) bi-weekly period in any fiscal year may carry forward to the next fiscal year up to eight hundred (800) hours of unused sick leave, plus one year's sick leave for potential use to allow them to remain at the 800 hours level for cash-out purposes.

Any employee who separates employment from the Town other than for cause and who, at the time of separation has 800 accrued hours of sick leave, will be paid for one hundred and twenty (120) hours.

Holiday Hours:

Holiday hours are accrued when full-time employees are unable to take a holiday on its designated calendar date or an alternate date within the calendar year. An alternate date is granted to observe the holiday which occurred either on regularly scheduled days off or on scheduled duty days. Since the alternate holiday date is compensated, employees who work on holidays are paid their regular compensation for the holiday, not overtime. If one or more alternate holidays are earned but not taken due to scheduling exigencies in the year earned, holiday hours can be carried forward from one calendar year to the next. An employee who terminates employment with the Town will be paid for each unused holiday.

Bargaining unit employees shall receive eight hours of pay for all official paid holidays. Those employees who are required to work on holidays will be compensated at a shift premium rate of two times their regular rate of pay for each hour worked.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

1. Summary of Significant Accounting Policies (Continued)

Compensatory Time:

Compensatory time (comp time) is earned at a maximum rate of one and one-half hours of comp time for each hour of overtime and for general employees may be carried forward from one calendar year to the next. The maximum amount of comp time that can be accrued by a general employee is two hundred and forty hours. In accordance with their union agreement, police officers are paid overtime for any hours worked over eighty hours biweekly and do not earn comp time. The Town Clerk, Director of Finance and Personnel, and all Department Heads are not eligible to earn comp time.

Accrued comp time can be converted to a monetary payment only when an employee terminates, and only if the Department Head is unable to give said employee an adequate number of paid hours off.

Vested or accumulated accrued leave that is expected to be liquidated with expendable available financial resources is reported as an expenditure and a fund liability of the governmental fund that will pay it. Amounts of vested or accumulated accrued leave that are not expected to be liquidated with expendable available financial resources are reported in the general long-term debt account group. No expenditure is reported for these amounts.

Subsequent Events - Management has adopted the provisions set forth in SFAS No. 165, *Subsequent Events*, and considered subsequent events through the date of the audit report.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

2. Reconciliation of Government-wide and Fund Financial Statements

A. Explanation of certain differences between the governmental fund balance sheet and the government-wide statement of net assets

The governmental fund balance sheet includes a reconciliation between *fund balance - total governmental funds and net assets - governmental activities* as reported in the government-wide statement of net assets. The detail of this \$2,200,727 difference is as follows:

Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds.

Governmental capital assets	\$	12,856,970	
Less accumulated depreciation		<u>(2,891,327)</u>	
			<u>\$ 9,965,643</u>

Long-term liabilities are not due and payable in the current period therefore are not reported in the governmental funds.

Other post-employment benefits payable		(6,528)	
Accrued interest payable		(168,543)	
Bonds payable		(5,443,052)	
Revenue note payable		(2,000,000)	
Compensated absences		<u>(146,793)</u>	
			<u>(7,764,916)</u>

Net adjustment to increase *fund balance - total Governmental funds* to arrive at *net assets - Governmental activities*

\$ 2,200,727

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

2. Reconciliation of Government-wide and Fund Financial Statements (Continued)

B. Explanation of certain differences between the governmental fund statement of revenues, expenditures, and changes in fund balances and the government-wide statement of activities.

The governmental fund statement of revenues, expenditures, and changes in fund balances includes a reconciliation between *net changes in fund balances - total governmental funds and changes in net assets of governmental activities* as reported in the government -wide statement of activities. One element of that reconciliation explains that “Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expenses.” The details of this \$(1,149,579) difference are as follows:

Capital outlay	\$ 1,297,445
Depreciation expense	<u>(572,438)</u>
Net adjustment to increase <i>net changes in fund balances - total governmental funds</i> to arrive at changes in net assets of governmental activities	<u>\$ 725,007</u>

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

2. Reconciliation of Government-wide and Fund Financial Statements (Continued)

Another element of that reconciliation states that “Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.” The details of this difference are as follows:

Other post-employment benefits costs	\$	4,056
Compensated absences		1,677
Amortization of bond costs		(3,798)
Amortization of bond premiums		6,179
Principal payment on bond		115,000
Proceeds from loan		(2,000,000)
Change in accrued interest expense		<u>2,300</u>
		<u>(1,874,586)</u>
Net adjustment to decrease <i>net changes in fund balances - total governmental funds</i> to arrive at <i>changes in net assets of governmental activities</i>	\$	<u><u>(1,149,579)</u></u>

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

3. Stewardship, Compliance, and Accountability

Budget Information - Annual budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund and the enterprise funds and are controlled on a fund and department level. On or before May 31 of each year, all departments of the Town submit requests for appropriation to the Finance Officer so that a budget may be prepared. The budget is prepared by fund, function and activity, and includes information on the past year, current year estimates and requested appropriations for the next fiscal year. All annual appropriations lapse at fiscal year-end.

The proposed budget is presented by the Mayor to the Town Council for review on or before July 1. The Town Council holds public hearings and may add to, subtract from, or change appropriations, but may not change the form of the budget. Any changes in the budget must be within the revenues and reserves estimated as available by the Finance Officer or the revenue estimates must be changed by an affirmative vote of a majority of the Town Council.

Expenditures may not legally exceed budgeted appropriations at the departmental level. During the year two supplementary appropriations were necessary.

Encumbrances accounting is employed in governmental funds. Encumbrances (e.g., purchase orders, contracts) outstanding at year end are reported as reservations of fund balances and do not constitute expenditures or liabilities because the commitments will be reappropriated and honored during the subsequent year.

4. Cash and Cash Equivalents

The Town maintains a cash pool that is available for use by all funds. Each fund's portion of this pool is displayed as "Cash and Cash Equivalents". In addition, investments are separately held by several of the Town's funds.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

5. Deposits

At year-end the carrying amount of the Town's deposits was \$2,738,997 and the bank balance was \$2,847,107. The bank balance was covered by federal depository insurance and, for the amount in excess of such federal depository insurance, by the State of Florida's Security for Public Deposits Act. Provisions of the Act require that public deposits may only be made at qualified public depositories. The Act requires each qualified public depository to deposit with the State Treasurer eligible collateral equal to or in excess of the required collateral as determined by the provisions of the Act. In the event of a failure by a qualified public depository, losses in excess of federal depository insurance and proceeds from the sale of the securities pledged by the defaulting depository, are assessed against the other qualified public depositories of the same type as the depository in default.

6. Investments

The Town's investments are categorized as insured or registered or for which the securities are held by the Town or its agent in the Town's name. Investments that are not evidenced by securities that exist in physical or book-entry form include investments in open-ended mutual funds and pools managed by other governments.

Investments held by Town:	<u>Fair Value</u>	<u>Risk Category</u>	<u>Quality Rating</u>	<u>Weighted Average Duration in Years</u>
Florida State Board of Administration Local Government Pooled Investment Fund	\$ 84,922	N/A	Not Rated	Daily
Certificate of Deposit	138,807	N/A	AAA	
FMIVT Portfolio	2,338,289	N/A	Not Rated	Daily
Investments held by Pension Trust Fund:				
Common Stocks	817,122	1	-	-
Corporate Obligations	677,299	1	AA	
Temporary Investments	<u>14,419</u>	N/A	AA	Daily
Total investments	<u>\$ 4,070,858</u>			

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

6. Investments (Continued)

Interest Rate Risk - The Town manages its exposure to fair value losses arising from increasing interest rates through its adopted investment policies. The Town limits the effective duration of its investment portfolio through the adoption of nationally recognized risk measure bench marks.

Credit Risk - Consistent with state law the Town's investment guidelines limit its fixed income investments to a quality rating of 'A' or equivalent as rated by one or more recognized bond rating service at the time of purchase. Fixed income investments which are downgraded to 'BAA' or equivalent must be liquidated within a reasonable period of time not to exceed twelve months. Fixed income investments which are downgraded below 'BAA' shall be liquidated immediately.

The Common Stocks, Corporate Obligations, and Temporary Investment Funds are assets of the Policemen's Pension Fund held by the Fund's agent in the Funds name. Accrued interest is not shown under a separate balance sheet account for the investment in the Florida Local Government Pooled Investment Fund as it is carried at fair value.

The State Board of Administration (Board) was established on June 21, 1928, pursuant to Chapter 14486, 1929, laws of Florida. The Board was subsequently created as a constitutional body corporate on January 1, 1943, under the provisions of Senate Joint Resolution No. 324, 1941; approved by the electorate in November 1942. The Board is composed of the Governor, as Chairman, the State Treasurer, as Treasurer, and the State Comptroller, as Secretary, and provides the following services by law: (1) investment of funds of the Florida Retirement System (FRS); (2) administration of debt service funds; (3) investment of trust and agency funds; and (4) distribution of the "Second Gas Tax."

The Local Government Pooled Investment Fund is governed by Ch. 19-7 of the Florida Administrative Code, which identifies the Rules of the State Board of Administration. These rules provide guidance and establish the general operating procedures for the administration of the Local Government Pooled Investment Fund. Additionally, the office of the Auditor General performs the operational audit of the activities and investments of the State Board of Administration.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

6. Investments (Continued)

Since the Florida State Board of Administration (SBA) Local Government Pooled Investment Fund (Fund) typically owns a substantial amount of treasury bills and notes, the Fund has utilized security lending programs to generate supplemental income. This income is used to pay a significant portion of the fees associated with the Fund which otherwise would have to be paid from regular Fund earnings. Any residual is used to build the Fund's reserve on behalf of participants. Both of these goals have been accomplished without impacting the regular earnings in the Fund with no change in the Fund's investment strategy. The investment in the Florida SBA pool is carried at the pool's share price at September 30, 2010.

During the fiscal year ended September 30, 2007 the fund reported that 6% of the fund was held in securities that were in default, had defaulted or were extended; 8% of the fund was held in securities that were under stress due to credit issues and 86% of the fund was held in high quality money market investments. In an effort to strengthen the fund's liquidity, the fund was divided into two parts:

Fund A contained all money-market appropriate assets and

Fund B consisted of assets in default, impaired or held significant credit risk.

The SBA Board adopted the following operating policy:

1. Shareholders were allowed to redeem (with no fees) from Fund A, the greater of
 - a) up to 37% of their holdings or
 - b) \$4 million
2. Establish a public-private partnership to allow shareholders to borrow cash against their shares.
3. Shareholders that need additional funds and were not able to make use of the credit facility may redeem Fund A shares subject to redemption fees.
4. Fund B shares are not liquid nor are they tradable.

During the fiscal year ended September 30, 2008, the SBA Board announced that the fund was on track to return to full liquidity by the fiscal year ending September 30, 2012. Further, the SBA Board expects that the SBA fund securities will pay in full at maturity.

10. Risk Management

The Town is exposed to various risks of loss related to torts; theft of, damage to, and distribution of assets; errors and omissions; injuries to employees; and natural disasters.

The Town continues to carry commercial insurance for risks of loss including health, building and contents, employee and police bonds, mobile property, flood and employee accident insurance. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. The Town has not had any significant coverage reductions under these policies from the prior years.

12. **Reserved Fund Balances**

Governmental Funds - Reserved fund balances indicate those portions of fund balances that are legally segregated for a specific use or not available for appropriation or expenditure. The nature of these reserves is as follows at September 30, 2010.

General Fund - reserved for:

Police education	\$ 2,763
Prepaid items	<u>40,132</u>
Total General Fund Reserved Fund	\$ <u><u>42,895</u></u>

Capital Improvements Fund - reserved for:

Encumbrances	\$ <u><u>8,023</u></u>
--------------	------------------------

Pension Trust Fund - Fund Balance in the Pension Trust Fund is reserved to indicate fund equity is restricted for future benefits to members of the pension plan is summarized as follows:

Policemen's Pension Fund	\$ <u>1,530,748</u>
Total Pension Trust Reserved Fund Balances	\$ <u><u>1,530,748</u></u>

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

13. Designated Fund Balance

The Town has established the following designations within the General Fund:

Designation of funds for the payment of the deductible amount required by the Town's current insurance policies	\$ 14,500
Designation of funds to purchase public works equipment	52,841
Designation of funds for beach cleanup	22,000
Designation of funds for beautification. These funds are set aside to maintain parks, medians, irrigation systems and replace	<u>43,580</u>
Total Designated Fund Balance	<u><u>\$ 132,921</u></u>

14. Budgetary - GAAP Reporting Reconciliation

The accompanying financial statements present comparisons of the legally adopted budget with actual data on a GAAP (generally accepted accounting principles) basis. Accounting principles applied by the Town for purposes of developing data on a budgetary basis did not differ significantly from those used to present financial statements in conformity with generally accepted accounting principles for the year ended September 30, 2010.

15. Contingent Liabilities

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the State of Florida. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Town expects such amounts, if any, to be immaterial.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

15. Contingent Liabilities (Continued)

The Town did not receive federal grant funds during the fiscal year ended September 30, 2010, and is not, therefore, subject to the program compliance audit by the grantee under the Office of Management and Budget Circular A-133, "Audits of States, Local Governments and Non-Profit Organizations".

The Town is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the Town attorney, the resolution of these matters will not have a material adverse effect on the financial condition of the Town.

The Town has not entered into any operating leases with scheduled rent increases as of September 30, 2010.

16. Postemployment Benefits

The Town does not provide postemployment benefits for police officers or general employees other than pension benefits. Postemployment health care benefits are made available to the Town's terminated employees in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). Under COBRA, the Town is required to offer an election to deceased or terminated participants, their spouses or dependents, to continue coverage in the health plan provided by the Town. The cost of coverage which the Town may charge the participant may not exceed 102% of the applicable premium.

17. Employee Retirement Systems

Florida Retirement System

Plan Description:

The Town's current elected officials (Town Council) participate in the Florida Retirement System (FRS), a non-contributory cost-sharing, multiple-employer public employee retirement system.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

16. Postemployment Benefits (Continued)

Florida Retirement System (Continued)

Plan Description (Continued):

The Town of Indian Shores contributes to the FRS which is administered by the Florida Department of Management Services, Division of Retirement. FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Chapter 121 of the Florida Statutes, which may be amended by the Florida Legislature, assigns the authority to establish and amend benefit provisions to the Department of Management Services through the Division of Retirement. The FRS issues a publicly available financial report that includes financial statements and required supplementary information for FRS. That report may be obtained by writing to:

State of Florida
Division of Retirement
3639-C North Monroe Street
Tallahassee, Florida 32399-1560

Funding Policy:

The FRS funding policy provides for monthly employer contributions at actuarially determined rates that, expressed as percentages of annual covered payroll are adequate to accumulate sufficient assets to pay benefits when due. Level percentage of payroll employer contribution rates, established by state law, are determined using the entry-age actuarial funding method. Future plan benefit changes, assumption changes, and methodology changes are amortized within 30 years, using level dollar amounts. Except for gains reserved for rate stabilization, future actuarial gains and losses are amortized on a rolling 10% basis, as a level dollar amount.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

17. Employee Retirement Systems (Continued)

Retirement benefits and the Town's contribution rates are summarized as follows:

<u>Membership Category</u>	<u>Retirement Benefit</u>	<u>Vesting</u>	<u>Employer Contribution Rates through June 30, 2010</u>	<u>Employer Contribution Rates Beginning July 1, 2010</u>
Elected State, County and City Officers'	1.6% times years of service times average compensation (5 highest years) if age 62 or 30 years of service at any age.	After 6 years of creditable service.	16.53% of covered payroll	18.64% of covered payroll

The Town contributions include 1.11% for a post-retirement health insurance subsidy. FRS also provides disability and survivors benefits. Benefits are established by the Florida State Statute.

Deferred Retirement Option Program:

The FRS Deferred Retirement Option Program (DROP) is available to a member when the member first reaches eligibility for normal retirement. DROP allows a member to retire while continuing employment for up to 60 months. During DROP participation, the member's retirement benefits (increased by a cost-of-living adjustment each July) accumulate in the FRS Trust Fund and earn monthly interest equivalent to an annual rate of 6.5%. The member must cease employment after a maximum of 60 months, must satisfy the termination requirements for retirement, and is subject to reemployment restrictions thereafter. The member's DROP accumulation may be paid out as a lump sum payment, a rollover, or a combination partial lump sum payment and rollover. Employers must pay contributions at a rate of 12.25% of salary for all DROP participants. FRS also provides disability and survivors benefits. Benefits are established by Florida State Statute.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

17. Employee Retirement Systems (Continued)

The contribution requirements of employers are established and may be amended by the Division of Retirement. The Town's contributions and its required contributions for the seven years ended September 30, 2010 are summarized as follows:

<u>Year Ended</u>	<u>Required Contribution</u>	<u>Percentage Contributed</u>
September 30, 2004	\$3,655	100.0%
September 30, 2005	\$3,655	100.0
September 30, 2006	\$3,745	100.0
September 30, 2007	\$4,777	100.0
September 30, 2008	\$5,356	100.0
September 30, 2009	\$5,356	100.0
September 30, 2010	\$5,765	100.0

Policemen's Pension Fund

Plan Description:

The following brief description of the Town of Indian Shores Policemen's Retirement Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan Ordinance for more complete information.

The Plan is a single employer defined benefit pension plan covering all full-time sworn police officers (hired after January 1, 1996) of the Town of Indian Shores, Florida (Town). Participation in the Plan is required as a condition of employment. Originally established by Town Ordinance in 1996 and amended in 2001 the Plan provides for pension, death and disability benefits. The Plan is subject to provisions of Chapter 185 of the State of Florida Statutes.

The Plan in accordance with the above statute, is governed by a five member pension board. Two police officers who are elected by a majority of the members of the Plan, two are residents of the Town who are appointed by the Town Council and a fifth member elected by the other four members constitute the pension board. The Town and the Plan participants are obligated to fund all Plan costs based upon actuarial valuations. The Town is authorized to establish benefit levels and the Board of Trustees approve the actuarial assumptions used in the determination of contribution levels.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

17. Employee Retirement Systems (Continued)

Current membership in the Plan is comprised of all full-time sworn Police Officers of the Town of Indian Shores and is summarized as follows:

<u>Group</u>	<u>September 30, 2010</u>
Retirees and beneficiaries currently receiving benefits	2
Terminated plan members entitled to but not yet receiving benefits	
Active plan members:	
Fully vested	5
Nonvested	<u>5</u>
Total	<u><u>12</u></u>

Officers who retire at the earlier of 52 and 25 years of service or age 55 and the completion of ten years of credited service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 2.50 percent of their average final compensation times their years of credited service. Cost of living adjustments are not provided. The Plan permits early retirement at age 50 and the completion of ten years of credited service. Benefits vest upon completing ten years of credited service.

The Plan also provides death and disability benefits. The death benefit is the greater of the officer's accumulated contributions or his accrued benefit. Disability payments will be equal to 2.50 percent of the officer's average annual compensation times his years of credited service but shall not be less than 42 percent of his average monthly compensation as of his early retirement date.

The Plan has not issued a stand-alone financial report for the year ended September 30, 2010.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

17. Employee Retirement Systems (Continued)

Policemen's Pension Fund (Continued)

Plan Description (Continued):

Basis of Accounting:

Basis of accounting is the method by which revenues and expenses are recognized in the accounts and are reported in the financial statements. The accrual basis of accounting is used for the Plan. Under the accrual basis of accounting, revenues are recognized when they are earned and collection is reasonably assured, and expenses are recognized when the liability is incurred. Plan member contributions are recognized in the period in which the contributions are due. Town contributions to the plan, as calculated by the Plan's Actuary, are recognized as revenue when due and the Town has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

Funding Policy:

Officer contribution rates are established at 5.0 percent of salary. Accumulated officer contributions are refunded if an officer leaves covered employment before ten years of credited service. Interest is not paid on contributions of terminated officers with less than ten years of credited service. State excise taxes collected from the Town's residents by the State of Florida are restricted to fund the Plan under Florida Statutes, Chapter 185. Contributions are received from the Town in amounts sufficient to fund the Plan at an actuarially determined rate specified by Florida Statute, Chapter 185. The Plan's administrative costs are financed through investment earnings. The Plan has no undue investment concentrations.

Policemen's Pension Fund (Continued)

Plan Description (Continued):

Funding Policy (Continued):

The Town's Annual Pension Cost and Net Pension Obligation for the year ended September 30, 2010 is as follows:

Annual required contributions	\$ 101,715
Interest on net pension obligation	-
Adjustment to annual required contribution	<u>-</u>
Annual pension cost	101,715
Contributions made	<u>101,715</u>
Increase (decrease) in net pension obligation	-
Net Pension obligation, beginning of year	<u>-</u>
Net pension obligation, end of year	<u><u>\$ -</u></u>

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

17. **Employee Retirement Systems (Continued)**

Policemen's Pension Fund (Continued)

Funding Policy (Continued):

The annual required contribution for the current year was determined as part of the September 30, 2008 (most recent) actuarial valuation using the frozen entry age actuarial cost method. The actuarial assumptions included (a) 8.0% reinvestment rate of return (net of administrative expenses) and (b) projected salary increases of 7.5% per year. Both (a) and (b) included an inflation component of 3.0%. The assumptions did not include post-retirement benefit increases. The actuarial value of assets was determined using techniques that smooth the effects of short-term volatility in the market value of investments over a four year period. The unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on a closed basis.

The remaining amortization period at September 30, 2010 was 28 years. The Plan's seven year trend information is summarized as follows:

<u>Six Year Trend Information</u>			
<u>Fiscal</u> <u>Year</u> <u>Ended</u>	<u>Annual</u> <u>Pension</u> <u>Cost (APC)</u>	<u>Percentage</u> <u>of APC</u> <u>Contributed</u>	<u>Net</u> <u>Pension</u> <u>Obligation</u>

Projected salary increases	7.5%
Inflation rate	3.0%

Employees' Pension Fund

The Town provides pension benefits for all of its full-time employees through a Money Purchase Pension 401 Plan (Plan) adopted on October 1, 1986. In a money purchase pension plan benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are eligible to participate on employment. The Plan requires that the Town contribute thirteen percent of their compensation. All participating employees must contribute a minimum of seven percent of their compensation. All full-time employees hired prior to October 1, 1986 are fully vested. The Town's contributions for each employee (and interest allocated to the employee's amount) hired after October 1, 1986, are fully vested after five years of continuous service. Town contributions for, and interest forfeited by, employees who leave employment before five years of service are used to reduce the Town's current-period contribution requirement.

The Plan allows participant loans for certain specified purposes. Loans may not exceed the lesser of fifty percent of the participant's vested account balances or \$50,000. Loans must be repaid within five years at rates of prime plus 0.5% or the FHA/VA rate on loans for a principal residence.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

17. Employee Retirement Systems (Continued)

Employees' Pension Fund (Continued)

The Town's total payroll in fiscal year 2010 was \$1,324,532. The Town's contributions were calculated using the participants' salary amount of \$677,485. The Town made the required 13% contribution offset by any forfeitures during the year ended September 30, 2010. The employees who participate in this Plan must make a minimum contribution of 7% of their total salaries. Both the Town and the covered employees made the required contributions summarized as follows:

	<u>Contribution Amount</u>	<u>Percentage of Current Covered Payroll</u>
Required:		
Town	\$ 87,407	13%
Employees	<u>47,424</u>	7%
 Total contributions	 <u>\$ 134,831</u>	

18. Deferred Compensation Plan

The Town maintains a deferred compensation plan (Plan) under the provisions of Section 457 of the Internal Revenue Code, as amended. This law stipulates that all assets and income of the plan must be held in trust for the exclusive benefit of the Plan participants and their beneficiaries. The Town's plan is administered by the International City Management Association Retirement Corporation (ICMA) and provides the plan participants with the option to invest in eleven different registered investment funds (mutual funds). Although the Town is the Trustee of the plan, the Town has no administrative involvement and performs no investing function for the plan and has not therefore, reported the plan in this financial report.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

19. Post-Employment Health Care Benefits

GASB Statement No. 45: *Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions* (OPEB), established new accounting standards for postretirement benefits. The new standard does not require funding of OPEB expense, but any difference between the annual required contribution (ARC) and the amount funded during the year is required to be recorded in the employer's financial statement as an increase (or decrease) in the net OPEB obligation. The effective date for implementation of GASB 45 by the Town of Indian Shores is October 1, 2008. Accordingly, the Town did obtain an actuarial valuation in accordance with GASB 45 standards as of October 1, 2008, and discloses the following:

Plan Description and Funding Policy

Employees who retire from the Town of Indian Shores (Town), and eligible dependents and survivors, are eligible to continue to participate in the Town's health insurance programs at the "blended" employee group rate which is determined annually by the Town and approved by the Town Council. Retirees have 31 days to elect to enroll in the Town's health insurance plan in which they were participating at the time of retirement unless otherwise stated in a plan document or collective bargaining agreement. As of September 30, 2010, a total of 22 eligible retirees and dependents were participating in the Town's health program.

The Town provides no funding for any portion of the premiums after retirement. However, the Town recognizes that there is an "implicit subsidy" arising as a result of the blended rate premium since retiree health care costs, on average, are higher than active employee healthcare costs. The plan is not accounted for as a trust fund as an irrevocable trust has not been established to fund the plan. The plan does not issue a separate financial report.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

19. Post-Employment Health Care Benefits (Continued)

Annual OPEB Cost and Net OPEB Obligation

The City's annual other post-employment benefits (OPEB) cost is calculated based on the annual required contribution (ARC) of the employer, an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal costs each year and to amortize any unfunded actuarial liabilities over a period not to exceed 30 years. The Town's annual OPEB cost for its plan for the current year is as follows:

	<u>Annual OPEB Cost</u>
Annual required contribution (ARC)	\$ 2,987
Interest on net OPEB obligation	179
Adjustment to ARC	<u>(222)</u>
Annual OPEB cost	2,944
Contributions made (pay-as-you-go basis)	<u>(7,000)</u>
(Decrease) in net OPEB obligation	(4,056)
Net OPEB obligation, beginning of year	<u>10,584</u>
Net OPEB obligation, end of year	<u>\$ 6,528</u>

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

19. Post-Employment Health Care Benefits (Continued)

Required Supplementary Information

Funded Status and Funding Progress

The funded status of the plan as of October 1, 2009, was as follows:

	<u>Funded Status</u>
Actuarial accrued liability	\$ 12,795
Actuarial value of plan assets	<u>-</u>
Unfunded actuarial accrued liability	<u>\$ 12,795</u>
Funded ratio	<u>0%</u>
Covered payroll	<u>\$ 515,298</u>
Unfunded actuarial accrued liability as a percentage of coverage payroll	<u>2.5%</u>

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events in the future. Amounts determined regarding the status of the plan and the annual required contributions of the Town are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information in the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits. Since this is the first year of implementation no prior year information is available.

TOWN OF INDIAN SHORES, FLORIDA

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2010

19. Post-Employment Health Care Benefits (Continued)

Actuarial Methods and Assumptions

Projections of benefits are based on the substantive plan and include the type of benefits in force at the valuation date and the pattern of sharing benefits between the Town and the plan members at that point. Actuarial calculations reflect a long term perspective and employ methods and assumptions that are designed to reduce the short term volatility in actuarial accrued liabilities and the actuarial value of assets. Significant methods and assumptions used for this valuation are as follows:

Measurement Date	October 1, 2008
Actuarial Cost Method	Entry Age Normal
Amortization Period	30 years
Amortization method	Level Percent of Payroll
Discount rate	5.00%
CPI	2.50%
Healthcare Cost Trend Rate	Pre-medicare: 9% (grading down to 5% in 2013) Post-medicare: 9% (grading down to 5% in 2013)
Payroll Growth Rate	0% annually

(1) Florida Statutes provide for a discount of up to four percent for early retirement of ad valorem taxes.
All unpaid taxes become delinquent on April 1, and are sold at auction on June 1 of each year as tax certificates.
The Town, after all tax certificates are sold, has fully collected all ad valorem tax revenues.

TOWN OF INDIAN SHORES, FLORIDA

EFFORTS AND ACCOMPLISHMENTS MEASURES

POLICE DEPARTMENT

Year ended September 30, 2010

OVERVIEW

The Police Department is staffed with a Chief, one Major, one Detective, one Sergeant, six uniformed Officers, four part-time uniformed Officers, one Police Secretary/Administrative Assistant, four part-time Dispatchers and eight non-paid reserve Officers.

The Department serves the Town of Indian Shores with a population of 1,787 and the Town of Redington Shores with a population of 2,700. Both Towns cater to the tourist trade and seasonal visitors. The combined population during the season reaches 10,000 residents and visitors.

The total budgeted expenditures for the fiscal year ended September 30, 2010 was \$1,139,241. Service was provided to the Town of Redington Shores at an annual estimated cost of \$377,550. There was an offsetting \$60,998 in the Budget Revenues through Federal Crime Block Funds, leaving a net cost of \$680,693 to the Town of Indian Shores.

Certain Service Efforts and Accomplishment information has been presented separately for the two Towns for the purpose of identifying service delivery to the Town of Indian Shores, even though total service to both Towns directly relates to the Town of Indian Shore' budget.

Call for service increased for the year ended September 20, 2010. Crimes reported were up and arrests were down. Responses to calls increased because of the increase in calls for service.

The crime clearance rate is also being reported on the basis of crime reportable to the Federal Bureau of Investigations. In June, 2004, the Criminal Information Services Automated Training Management System approved discontinuing the use of crime index in the Uniform Crime Report and its publications and directed the FBI to publish a violent crime total and property crimes total until a more viable index is developed. (1) The Uniform Crime Report is presented by calendar year, rather than audit fiscal year format.

The Honorable Mayor
and Town Council
Town of Indian Shores, Florida

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, the budgetary comparisons for the general fund, and the aggregate remaining fund information of the Town as of and for the year ended September 30, 2010, which collectively comprise the Town's basic financial statements and have issued our report thereon dated March 10, 2011.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Town's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

The Honorable Mayor
and Town Council
Town of Indian Shores, Florida

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we considered to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the Town in a separate letter dated March 10, 2011.

This report is intended for the information of the Town of Indian Shores, Florida and the State of Florida Office of the Auditor General and is not intended to be and should not be used by anyone other than those specified parties.

Davidson, Jamieson & Critchfield, P.L.L.C.

The Honorable Mayor and
Town Council
Town of Indian Shores, Florida

We have audited the financial statements of the Town of Indian Shores, Florida as of and for the fiscal year ended September 30, 2009 and have issued our report thereon dated March 10, 2011.

We conducted our audit in accordance with United States generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. We have issued our Independent Auditor's Report on Compliance and Internal Control over Financial Reporting. Disclosures in that report, which are dated March 10, 2011 should be considered in conjunction with this management letter.

Additionally, our audit was conducted in accordance with Chapter 10.550, Rules of the Auditor General which governs the conduct of local governmental entity audits performed in the State of Florida. This letter includes the following information which is not included in the aforementioned auditor's reports or schedule:

Those rules (Section 10.554(1)(i)(1)) require that we address in the management letter, if not already addressed in the auditor's report on internal controls and compliance, whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made on internal control and compliance issues during the preceding annual financial audit.

As required by the Rules of the Auditor General (Section 10.554(1)(i)(2)), the scope of our audit included a review of the provisions of Section 218.415, Florida Statutes, regarding the investment of public funds. In connection with our audit, we determined that the Town complied with Section 218.415, Florida Statutes.

The Honorable Mayor and
Town Council
Town of Indian Shores, Florida

As required by the Rules of the Auditor General (Section 10.554(1)(i)(3)), the scope of our audit included a review of possible recommendations to improve the local government entity's financial management. In connection with our audit we did not have any such recommendations.

The Rules of the Auditor General (Section 10.554(1)(i)(4)) requires address violations of provisions of contracts or grant agreements, or abuse, that have an effect on the financial statements that is less than material but more than inconsequential. In connection with our audit, we did not have any such findings.

The Rules of the Auditor General (Section 10.554(1)(i)(5)) provides that the auditor may, based on professional judgment, report the following matters that have an inconsequential effect on financial statements, considering both quantitative and qualitative factors: (1) violations of provisions of contracts or grant agreements, fraud, illegal acts, or abuse, and (2) control deficiencies that are not significant deficiencies. In connection with our audit, we did not have any such findings.

The Rules of the Auditor General (Section 10.554(1)(i)(6)) requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter unless disclosed in the notes to the financial statements. Legal authority includes the general law, special acts, ordinances, resolutions, or other means by which the local government entity was created and is governed. This disclosure has been included in the Town's Comprehensive Annual Financial Report for the fiscal year ended September 30, 2010.

The Rules of the Auditor General (Section 10.554(1)(i)7.a requires that the auditor state whether or not the governmental entity has met one or more of the conditions described in Section 218.503(1), Florida Statutes and identify the specific condition or conditions met. During the course of our audit of the Town's financial statements for the fiscal year ended September 30, 2010, we found that the Town did not meet any of the conditions described in Section 218.1503(1), Florida Statutes.

The Rules of the Auditor General (Section 10.554(1)(i)7.b requires a statement as to whether or not the financial report filed with the Florida Department of Financial Services pursuant to Section 218.32(1)(a), Florida Statutes, is in agreement with the annual financial audit report for the current audit period. We determined that the Comprehensive Annual Financial Report for the Town for the fiscal year ended September 30, 2010 is in agreement with the financial report filed with the Florida Department of Financial Services for the fiscal year ended September 30, 2010.

The Honorable Mayor and
Town Council
Town of Indian Shores, Florida

The Rules of the Auditor General (Section 10.554(1)(i)7.c and 10.536(7) requires that we apply financial condition assessment procedures. It is management's responsibility to monitor the Town's financial condition and our financial condition assessment was based in part on representations made by management and the review of financial information provided by them.

Pursuant to Chapter 119, Florida Statutes, this management letter is public record and its distribution is not limited. Auditing standards generally accepted in the United States of America require us to indicate that this letter is intended solely for the information and use of management, and the Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

March 10, 2011

The Honorable Mayor
and Town Council
Town of Indian Shores, Florida

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the budgetary comparisons for that general fund and the aggregate remaining fund information of the Town of Indian Shores, Florida as of and for the year ended September 30, 2010, and have issued our report thereon dated March 10, 2011.

We conducted our audit in accordance with generally accepted auditing standards, and *Government Auditing Standards* issued by the Comptroller General of the United States. Additionally, our audit was conducted in accordance with the provisions of Chapter 10.550, Rules of the Auditor General, which govern the conduct of local governmental entity audits performed in the State of Florida and require that certain items be addressed in this memorandum.

In planning and performing our audit of the financial statements of the Town of Indian Shores, Florida we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

However, during our audit we observed an opportunity for strengthening internal control and operating efficiency.

The Honorable Mayor
and Town Council
Town of Indian Shores, Florida

We present our observation under the following captions for your consideration:

CURRENT YEAR

Implementation of GASB Statement 54

CURRENT YEAR

Implementation of GASB Statement 54

We remind the Town that the new GASB Statement 54 “Fund Balance Reporting and Governmental Fund Type Definitions” must be implemented for the fiscal year ending September 30, 2011. It is our recommendation that the Town plan as to how the new standard will effect their financial reporting.

* * * * *

This memorandum is intended solely for the use of the Mayor and Town Council, the Pinellas County, Florida Board of Commissioners and the State of Florida Office of the Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate the courtesy and assistance provided to us by the Town's personnel during our audit. We will review the status of the above comments during our next audit engagement. We have already discussed many of these comments and suggestions with Town personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

DAVIDSON, JAMIESON & CRISTINI, P.L.

MANAGEMENT RESPONSE

RE: Fiscal Year 2009/2010 Audit Recommendations

Management's response to current year recommendations:

Implementation of GASB Statement 54

Management is aware of the GASB 54 Statement on Fund Balance Reporting and will prepare the Fiscal 2010/2011 Financial Statements with the newly defined Governmental Fund Type Definitions.

On February 9, 2010 the Town Council approved Resolution No. 2-2010 establishing Financial Policies of the Town for Budget Development, Capital Improvement Planning and a Fund Balance Policy that conforms to GASB Statement No. 54.
