Factors to consider if you're thinking about selling

The panel and myself have been working with Cape Coral's city staff who went through CAT 5 Ian. They are sharing their experiences to help us avoid pitfalls the city and their residents suffered with FEMA.

Please join us as they share what you need to know about next steps and your options. There will be a Q&A period, so please share this with your neighbors and HOA Presidents.

Call or email our office for the webinar link.

**Committees:** Infrastructure Strategies Committee - Agriculture, Conservation & Resiliency Subcommittee - Appropriations Committee - Infrastructure & Tourism Appropriations Subcommittee (Vice Chair) - Health Care Regulation Subcommittee - Rules Committee (Vice Chair)
